PSI Selected to Participate in the 2014 Goldman Sachs 10,000 Small Business Development Initiative.

Chicago, IL – December 20, 2013– Goldman Sachs [10,000 Small Businesses](#) is a \$500 million investment to help small businesses in the United States create jobs and economic growth by providing entrepreneurs with a practical business education, access to capital and business support services. The program is currently operating in Chicago, Cleveland, Detroit, Houston, Long Beach, Los Angeles, Miami, New Orleans, New York, Philadelphia, and Salt Lake City. Community Partners in Chicago include the Chicagoland Chamber of Commerce, Chicago Urban League, City Colleges of Chicago, Illinois Hispanic Chamber of Commerce, IFF, Local Initiatives Support Corporation, NAWBO, SomerCor 504, Inc. and Women's Business Development Center. Professional Systems, Inc. was recently contacted by the Goldman Sachs 10,000 Small Business Initiative to inform them that they had been selected to participate in the coveted program and extend congratulations.
